UNIVERSITY of HAWAII®
HAWAII COMMUNITY COLLEGE
PĀLAMANUI

The Campaign Purpose:

The American Culinary Federation Kona Kohala Chefs Association is pleased with the progress on the long-awaited Hawaii Community College - Pālananui opening in 2015. The ACF members earnest desire is to support the new culinary campus by helping to secure funds for equipment and appliances for the Culinary Arts Program.

There will be four kitchens: two 1200 square foot teaching, one 800 square foot baking and one 800 square foot prep kitchen for a total of 4000 square feet. The facilities will enable 65 students per semester to work toward their AAS degree in Culinary Arts.

The Campaign Goal:

A \$ 200,000 goal of capital funds is being sought to equip the kitchens with equipment and appliances.

The Culinary Arts Program is fully accredited by the American Culinary Federation. It also provides direct industry placement and the development of qualified committed professionals ready to be successful leaders in the culinary field.

We appreciate a donation to help “The Campaign to Equip the Kitchens for the Culinary Arts Program at Hawaii Community College - Pālananui.
